WAYWARD BRUNCH MENU

SUNDAY'S FROM 10 AM TO 2 PM

You don't need to go to Vegas for an incredible Brunch Buffet. You just need to make it here to the WayWard Kitchen. Fluffy **Buttermilk Biscuits** are first in line with Whipped Butter, Mixed Berry Jam and Homemade **Herb Cream Gravy**. Our gravy is incredible and we recommend you put it on everything. We have excellent cuts of **bacon** and **sausage** with plenty of **Scrambled Eggs** and **Oven-Roasted Potatoes** to get you started. It's a savory beginning you can balance out with a stack of our **Silver Dollar Pancakes** with choices of Whipped Butter, Maple Syrup, Chocolate, Mixed Berry Sauce and Whipped Cream to top them off.

Looking for Something healthy? Our **Salad Bar**, with a variety of toppings and dressings, and a nice selection of **Fresh Seasonal Fruit**, is on the menu with **Yogurt and Granola**. Like any respectable Brunch Buffet, our **Shrimp Cocktail** comes with a House-Made Cocktail Sauce and lemons and is a nice prelude to the most delicious **Oven Roasted Beef** there is.

You will love the **Chef's Plate Du Jour** where every weekend our talented Chefs come up with a Brunch selection unique to the day. These are the people you want making specialty recipes and their creativity always leads to something amazing.

Sweets? Yes, we've got them. Enjoy a nice variety of **pastries, sweets and chocolates** to put a button on everything. And don't worry about drinks. All varieties of **Juices, Coffee, Tea and Sodas** are all included. If you're wanting to make Brunch a little more fun, the bar is open and you can order **Mimosa Flights, Bloody Marys** and **Espresso Martinis** to make it the perfect meal.

The WayWard Brunch Buffet is a treat that you deserve. Come hungry and leave happy. We will see you on Sunday.
